INDEPENDENT AUDITOR'S REPORT

To Members of Siel Financial Services Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Siel Financial Services Limited** ("*the Company*"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("*the Act*") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- (i) The 5% Cumulative Redeemable Preference Shares of Rs 7,30,00,000 were due for redemption on 12th January, 2007. As per Section 55 of the Companies Act, 2013 (in read with Section 80 of the earlier applicable Companies Act, 1956), as applicable, such preference shares shall be redeemed either out of profits of the company which would otherwise be available for dividend or out of the proceeds of a fresh issue of shares made for the purposes of the redemption. The Company has yet not created Capital Redemption Reserve due to insufficient profits, required for the redemption of 5% Cumulative Redeemable Preference Shares of Rs 7,30,00,000 on 12th January, 2007 nor it redeemed the same by issuing fresh capital as per applicable new promulgated Section 55 of the Companies Act, 2013 (in read with Section 80 of the earlier applicable Companies Act, 1956). In view of above, there is contravention of Section 55 of the Companies Act, 2013. The same has also been explained in **Note-1(vii)** to the financial statements.
- (ii) We have analyzed following factors :-
 - (a) The Company is not carrying on any business from considerable time due to paucity of funds. The operations of the Company are restricted to realization of debtors or advances. Besides, the Company has invested its surplus deposits with banks which are yielding interest income. There is no employee in the company.
 - (b) Reserve Bank of India has already rejected the Non Banking Financial Companies (NBFC) License and is Company accordingly is not allowed to carry Non Banking Financial Business; and

INDEPENDENT AUDITOR'S REPORT (Contd.)

- (c) The Company incurred a net loss of Rs. 3,58,693/- for the year ended 31st March, 2015 (Previous year Rs. 3,39,013/-) and accumulated loss as on 31st March, 2015 stands to Rs. 22,34,09,218/-(Previous year Rs. 22,30,50,525/-). As on 31st March, 2015, the Company's current liabilities exceeded its current assets by Rs. 1,48,02,721/- (Previous year Rs. 1,44,72,916/-) and its total liabilities exceeded to its total assets by Rs. 3,71,79,323/- (Previous year Rs. 3,68,20,630/-). In view of these, the Company had been reporting negative operating cash flows for few years which have also contributed to constraints of working capital. These conditions have resulted into acute working capital deficit & have casted material uncertainty on functioning of Company.

As stated by the management the accounts of the company have been prepared on a "going concern" basis on an assumption & premises made by the management that adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis. In view of the above, the accounts of the Company have been prepared on a going concern basis. **Refer Note-18.**

Appropriateness of the "going concern basis" is dependent on the ability of the company to generate adequate finances to meet its obligations and to operate profitably which in our opinion after considering aforesaid factors indicate material uncertainty which further raises significant and substantial doubt on the ability of the Company to continue as a going concern and therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. If the Company is treated not to be a going concern, then the valuation of assets has to be not merely on the basis of historical cost less depreciation or impairment but at a value which the assets would fetch, if the same are lower than the value presently shown. The Company has not attempted to assess the realizable value of the assets and therefore financial results for the year ended 31st March, 2015 have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded asset amounts or to amounts or classification of liabilities that may be necessary if the Company is unable to continue as a going concern.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the **Basis for Qualified Opinion paragraph**, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2015, and its profit/loss and its cash flows for the year ended on that date

Emphasis of Matter

We draw your attention to **Note No-17** to the financial statements on Contingent Liability for non-payment of Cumulative Preference Dividend of Rs 6,28,20,000. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

INDEPENDENT AUDITOR'S REPORT (Contd.)

Siel Financial Services Limited

NOTES FORMING PART OF THE BALANCE SHEET AS AT 31ST MARCH, 2015

Note 16 - SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Generally Accepted Accounting Principles ("GAAP") in India under the historical cost convention on accrual basis and are in accordance with the applicable accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). These Accounting policies have been consistently applied, except where a newly issued Accounting Standard is initially adopted by the company

As required & mandated by relevant guidelines prescribed under Companies Act, 2013, Company has prepared its financials as per Schedule III. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has considered a period of twelve months for the purposes of classification of assets and liabilities as current and non-current.

b) Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes and the useful lives of fixed assets and intangible assets. Actual results could differ from those estimate. Any revision to accounting estimate is recognized prospectively in the current and future years.

c) Fixed Assets

Fixed assets are stated at cost of acquisition/construction less accumulated depreciation. The cost includes all pre-operative expenses and the financing cost of borrowed funds relating to the construction period.

d) Depreciation

- i) Depreciation is provided on Written Down Value Method (WDV) on pro-rata basis at the rates and in the manner specified in Schedule II to the Companies Act, 2013.
- ii) In the case of purchase/sale of asset, depreciation is computed on pro rata basis from the date of such addition or as the case may be, up to the date on which such asset has been sold, discarded, demolished or destroyed.
- iii) The life of fixed assets are considered in accordance with the Schedule-II of the Companies Act-2013.

e) Investment

Investments are classified into current and non-current (long term) investments. Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current (long term) investments. Current investments are stated at the lower of cost and fair value determined on an individual basis. A provision for diminution in value is made to recognize a decline other than temporary in the value of long term investments. Profit/loss on sale of investments is computed with reference to their average cost.

f) Inventories

Stock in trade- shares, debentures and other securities are valued at lower of cost or market price/break-up value determined for each category of stock-in-trade. The cost is ascertained on the basis of annual weighted average purchase price of each security.

Minimum Alternative Tax (“MAT”) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an Asset if there is convincing evidence that company will pay normal tax in future. MAT Credit entitlement can be carried forward and utilized for a period of ten years from the year in which the same is availed. Accordingly, it is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the company and the asset can be measured reliably.

Deferred tax is recognized subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences that result between taxable profits and accounting profits. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax assets on timing difference are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. However, deferred tax assets on the timing differences when unabsorbed depreciation and losses carried forward exist, are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax can be realized. Deferred tax assets are reassessed for the appropriateness of their respective carrying values at each balance sheet date.

j) Provisions and Contingencies

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation.
